## **FISCAL ANALYSIS**

### **ASSUMPTION**

#### **§ 313.303 - Lottery Winners:**

Officials from the **Missouri Lottery Commission (LOT)** state this proposal prohibits publishing of winner names without written consent of the winner. Not being able to publish winner names may adversely affect public perception of the lottery and ultimately affect sales

LOT assumes an unknown negative impact on lottery sales, which in turn would have a negative fiscal impact on proceeds for education.

LOT notes only 4 states allow a blanket anonymity of lottery winner names.

**Oversight** notes of the 44 states participating in Powerball and 33 states in Mega-Millions, the states of Delaware, Kansas, Maryland, North Dakota, and Ohio allow blanket anonymity of lottery winners.

**Oversight** assumes this proposal would not have a direct administrative impact on the Lottery Commission.

**Oversight** assumes any effect on sales (positive or negative) would be an indirect consequence of this proposal and beyond the scope of a fiscal note.

In response to similar legislation from 2013 (HB 805) officials from the **Office of Prosecution Services (OPS)** assumed no measurable fiscal impact on OPS. OPS assumes the creation of a new crime creates additional responsibilities for county prosecutors. This may in turn result in additional costs which are difficult to determine.

**Oversight** assumes county prosecutors can absorb any costs related to this proposal.

Officials from the **Office of State Courts Administrator** and **Office of the Attorney General** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016

<u>FISCAL IMPACT - Local Government</u>	FY 2014 (10 Mo.)	FY 2015	FY 2016
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
